Marketing Bulletin 2019-02

19 March 2019

Goodyear Aviation is pleased to announce the introduction of a new Flight Eagle LT tire for the Phenom 300/300E

Goodyear has updated the 15x6.0-6 Flight Eagle LT nose landing gear tire for the Embraer Phenom 300/300E. The new part number 156E23-1 has a higher load rating and replaces P/N 156K23B1.

Future orders should be placed for 156E23-1 and existing orders will be converted per the following information:

Size / Load Rating (lbs)	Part Number	Product Code	Status
15x6.0-6 LR 3483	156E23-1	301-249-028	New
15x6.0-6 LR 3410	156K23B1	301-459-028	Discontinued

Part number 156E23-1 is fully interchangeable with 156K23B1 on Phenom 300/300E aircraft.

For questions, please contact your Goodyear sales representative.
